## What's New In Fox Tunes?

Fox Tunes is a free and easy-to-use MP3 music player. It can play audio files in all popular formats such as MP3, OGG, AAC, WMA, WAV, FLAC, M4A and MP4. In addition to playback control, Fox Tunes also features a full-featured playlist manager. It could allow users to manage playlists directly on the computer, or create playlists with using any portable media devices (such as iPod and Zune). With the standard music player functions like play, pause, stop, next/previous track, shuffle, cover art and ratings display, Fox Tunes also brings you an easy way to create, edit, manage and play playlists. Fox Tunes also provides a smart library management function. It could organize audio files, playlists, artists, albums, genres and artists into hierarchical structure, which is easy for you to find your music library. In addition, it could also integrate with iTunes to help you discover the tracks which you have not downloaded, search the Internet for the songs you love and automatically display the track information. AlternativeTo is a free service that helps you find better alternatives to the products you love and hate. The site is made by Ola and Markus in Sweden, with a lot of help from our friends and colleagues in Italy, Finland, USA, Colombia, Philippines, France and contributors from all over the world. That's right, all the lists of alternatives are crowd-sourced, and that's what makes the data powerful and relevant. About Fuzzy is an illustrator, creator, and animator from Sydney, Australia. His passion for storytelling inspired him to make comics, and his creative process is to explore and experiment with media and techniques that can be applied in storytelling and animation. The story of Fuzzy begins with a dream he had in his childhood. He imagined himself being an alien, visiting earth and starting a new life on the planet. With inspiration from the film, 2001 A Space Odyssey, Fuzzy created a comic to channel his imaginary journey. In 2015 he teamed up with Australian game developer, Hypnodollars, to develop a digital version of the comic. The game was launched in October 2015 on a series of Australian college campuses. As an animator, his style is simple yet effective, focusing on timing and the emotions that are conveyed in his animations. Fuzzy is a self-taught artist, having been influenced by a vast array of artists from J.C. Leyendecker, to Turner, to Alex Ross. He enjoys experimenting with animation, drawing, sculpture, video, and producing various forms of media. The Story of Fuzzy's Dream In 2015, Fuzzy developed a comic to channel his childhood dream of being an alien. He chose to experiment with various
